

Susquehanna Township School District Food Services Program Information

POS/Account Information

The STSD Food Services utilizes a computerized Point-of-Sale (POS) cash register system in all schools. The POS system assists the Food Services in meeting the State and Federal guidelines more effectively, reduce the possibility of lost or stolen lunch money while providing documentation of the child's participation in the lunch program.

Sure, they're great guys, but who wants to carry them around every day?

Our pre-payment option takes a load off your mind -- and out of your child's pocket. Here's how it works:

We have set-up an account for your child/children using his/her student ID number, which is for the purchase of breakfast and/or lunch. Only the Sara Lindemuth elementary school students will use cafeteria ID cards which are placed in racks by room numbers at the beginning of the serving line. Students select their card and give it to the cashier at the end of the line to have their purchase deducted from their account. Thomas Holtzman and secondary school children must enter their student ID into the cashier pin pad to access his/her account to have their purchase deducted from their account. **CASH MAY BE USED AT ANY TIME TO PAY FOR LUNCH.**

POS

Pre-payment may be made in any amount by logging on to www.HannaCafe.com and selecting the mySchoolBucks icon. Your child's **Student ID** is required for access to his/her Food Service Account. Your child's exclusive **Student ID** can be found on their bus schedule and report card. **NOTE:** It takes at least 24 to 48 hours for transactions made in the mySchoolBucks system to be available in your child's school meal account. Parents/Guardians may check their child's balance anytime by logging on to www.HannaCafe.com and selecting the mySchoolBucks icon. Pre-payments may also be made prior to the start of school or during the serving of meals. The cashier will verbally attempt to remind the student when his/her account balance is getting low. Prepaid balances on your child's account at the end of the school year will automatically transfer to the next school year. Account balances are rolled forward from year to year, building to building until the student has left the district. Parents/Guardians may request a check refund or transfer of funds to another sibling's account by contacting the Food Services on or before June 30th of the current school year.

Parents can....

Charging and Account information

Students may charge a meal in an emergency through out the school year until Memorial Day. However, it is imperative that the student pay back the loaned money the following day. Students that exceed the charge limit of three meals will be offered a bowl of cereal and carton of milk at cost until the balance is paid in full.

The Food Services, upon the parent's request will block a student's account so that he/she may not purchase any food items other than the lunch and/or breakfast. In addition to the regular menu selections, Middle and Senior High students may purchase additional ala carte items like bottle water, a second entrée or meal.

Summer Feeding Options

Schools or families can use any of the following methods to locate sites that serve free meals to children during the summer:

Free and Reduced

You haven't missed the bell!

We accept applications for free and reduced-price meals all year long.

Free and Reduced Price Meal Applications are available in all school offices and online at www.HannaCafe.com. Families with children in various buildings need only to complete **ONE** application for the family and return the **ONE** application with the most responsible child to his/her school. A notification of eligibility will be sent to the home address on the application within 10 school days of receipt of the Meal Application. All students eligible for reduced price meals or free meals at STSD in June of the previous school year are eligible for the same benefit the first 30 days of the new school year at STSD. **A new meal application must be filed with the school district annually.**
